
EXCHANGE NOTICE 3-2026 - Suspension of trading in NBSK CIF China pulp Futures

Announcement date: 18.05.2026

Effective date: 18.05.2026

NOREXECO ASA hereby notifies all Trade members and market participants of the suspension of trading in the **NBSK CIF China Futures** (ECC Product Code: NFKM).

NOREXECO has decided to streamline its product suite. To ensure a focused offering alongside the NBSK Europe and NBSK Shanghai contracts, NOREXECO has decided to suspend the CIF China contract from active trading. This decision is part of a broader effort to optimize NOREXECO's product palette and ensure our listed instruments remain reflective of the global supply chain.
